Washington, March 1.—After much
debate in the Senate today, the
proposition to amend the constitu-
tion of the United States by giving
the people the right to elect senators
by direct vote of the people was de-
feated yesterday in the Senate.

The proposition, which has been
vigorously advocated by Democrats
insurgents and regulars, was killed
in the house of its friends. Those
who believe in the popular election
of senators in the end accomplished
the defeat of the measure.

Certain of them would not permit
the resolution to pass because of the
fact that a clause in the original res-
olution, which removed the election
of senators from federal control,
was eliminated.

When the roll was called Demo-
crats, insurgents and some of the old-
line Republicans joined together to
the number of 54 in voting for the
passage of the resolution. There were
10 Democrats, however, who joined
with 23 Republicans, making 33 in
all, and voted against the resolu-
tion.

Inasmuch as a vote of two thirds
in the affirmative is necessary to pass
a resolution submitting an amend-
ment to the constitution, the resolu-
tion failed.

The ten Democrats who balked
against the resolution and thereby
caused it to fail did so because of
that part of the resolution as origi-
nally reported by Senator Borah and
fostered by him, providing that the
control of the elections of senators
should be surrendered by the federal
government and vested entirely in the
state.

The Sutherland amendment struck
out that provision and allowed the
control which the federal government
now has, but which it does not exer-
cise, to continue. When this was
done some of the southern men an-
nounced their intention to vote
against the amendment, and they did
so today, thus defeating it, although
they still claim to favor popular elec-
tion of senators. They expressed the
fear that with the federal government
having the constitutional right to
regulate the election of senators there
might some day be passed a force bill
giving the negro the right to vote and
would nullify the state constitutions
whereby suffrage, so far as the negro
is concerned, is abridged.

Friends of direct elections believe
that with some of the regulars absent
in the next Congress they will be able
to have the resolution passed in its
original form. Of the affirmative
votes yesterday, 33 were cast by Re-
publicans and 21 by Democrats.

FIRE DESTROYS THE DIVINNEY SCHOOL HOUSE

Granville, March 1.—Some time dur-
ing the night the Divinney school
house on upper Loudon street caught
fire from some unexplained cause, and
burned to the ground, together with all
its contents, which consisted of the
books of the children, all the Sunday
school books, an organ and other ar-

icles used in a school house of this
kind. The building was a frame one
and was comparatively new. The loss,
it is thought, will amount to about
\$1,000, which is insured. Mr. Samuel
Divinney has granted the privilege of
holding school in the front room of his
tenant house, near by.

WET AND DRY ELECTIONS HELD IN INDIANA

Indianapolis, Ind., March 1.—Under
the Proctor law, enacted by the
Democrats at the present session of
the legislature, giving cities the right
to determine whether or not sal-
oons shall be licensed, Marion, Ko-
komo, Rushville, Connersville, De-
catur, Huntington, Wabash, Kendall-
ville and Vevay voted wet yesterday.

Two years ago most of these cities
voted "wet" but were made "dry" by
the votes of the country precincts.

Democratic leaders and members of
the legislature, when informed last
night of the results, declared that
the right proves that their party took
the right position in the last cam-
paign on the local option question.

The Democrats stood squarely for
the rights of the cities and towns to
vote without interference of the coun-
try precincts.

In practically all of the cities
where elections were held yesterday
a majority voted "wet" at the previ-
ous election, but they had been forced
to be "dry" by outside votes in the
country, and in most of them
"blind tigers" and social clubs took
the place of the saloons. In only
a few places were the "wets" well
organized, while nearly every voting
booth was surrounded by women who
were working for the "dry" contin-
gent.

The scenes, however, were
nothing like those of two years ago,
when the women and children were
paraded through the streets by the
Anti-Saloon leaguers and placarded
with "vote for me" signs.

The "dry" element expected to
carry Marion, but the returns indi-
cate a "wet" victory by a majority of
thirty-five. The "dry" fight at Mar-
ion was led by Colonel George
Lockwood, formerly secretary to C.
W. Fairbanks while he was vice
president.

In nearly every city a large vote
was cast and the interest was in-
tense. The results are surprising to
the Anti-Saloon league leaders, who
never have been willing to concede
that there was a majority in the
cities in favor of having licensed sal-
oons.

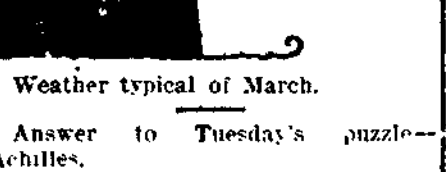

In some localities the bitterness of
former contests was found to be so in-
jurious to both business and moral
conditions that more conservative in-
fluences and wiser counsels prevailed.

While the "drys" carried the coun-
try precincts as a general thing,
their vote was less than two years
ago, while the "wet" vote was much
heavier.

EXTRA SESSION IS INEVITABLE

Washington, March 1.—Vice Pres-
ident Sherman today said that in his
opinion an extra session is inevitable.

WHAT IS IT?

PLANNING MEETING OF DEMOCRATS

Noted Men to Attend
Banquet at Indian-
apolis April 13

WILL SOUND KEYNOTE

For the Democratic Campaign in
1912—To Form Chain
of Clubs.

Indianapolis, Ind., March 1.—With
Wm. J. Bryan, Woodrow Wilson,
Governor Foss of Massachusetts, Gov-
ernor Marshall of Indiana, former
Governor Folk of Missouri and other
prominent Democrats named as
among the leading speakers, plans
were well under way today for the
National Democratic achievement
banquet to be held here the night of
April 13, Jefferson's birthday.

Printed invitations have been sent
to prominent Democrats throughout
the country and with most of the
party leaders in attendance, the
meeting will probably be one of the
biggest Democratic gatherings of the
year.

The banquet will be under the aus-
pices of the Democratic League of
Clubs. The official invitations issued
today declare that the banquet is "to
celebrate the victories which certain
Democratic reforms have won and to
aid and strengthen the Democratic
party."

It is expected, however,
that agreements will be reached on
some of the matters which fell by
the wayside at the recent Baltimore
meeting.

No resolutions binding the Demo-
cratic members of Congress to any
fixed course, or favoring any men for
the presidency will be introduced, it
is declared. Important measures
will be discussed, however, and it is
expected that there will at least be
an "understanding."

It is believed that the speeches of
Bryan, Marshall, Wilson, Folk, Foss
and Gov. Burke of North Dakota,
will sound the keynote for the Dem-
ocratic campaign in 1912. Governor
Harmon of Ohio has been invited to
attend the banquet, but to date he
has not signified his intention of
coming.

At Baltimore Harmon was
given a great boom for president.

"Harmony and unity" is to be the
watchword here and every section of
the country and every wing of the
party will be represented, according
to those in charge of the arrange-
ments.

It is understood attention will be
given the necessity of organization,
and stimulus for this discussion will
be furnished at a meeting of the
board of directors of the National
Democratic League of Clubs, which
will be held preceding the banquet.

Plans will be laid at that meeting for
a chain of clubs to reach every sec-
tion of the country with the platform
of the league, declaring for the Dem-
ocratic principles as the backbone of
the new organization.

Local committees have been ap-
pointed here to take charge of all
arrangements for the banquet and a
general invitation to all Democrats
besides those especially invited has
been issued. The special invitations
are signed by a long list of promi-
nent Democrats, headed by former
Vice President Adlai Stevenson, Mar-
shall Wilson, Foss, Gov. Shafer of
Colorado, Hoke Smith of Georgia,
Peck of Wisconsin and Senators-elect
Kern and Luke Lea of Tennessee.

NEW MEXICO'S CONSTITUTION IS APPROVED

Washington, March 1.—The House
Committee on Territories yesterday
unanimously approved the constitu-
tion of the new state of New Mexico,
and recommended its approval by the
House.

The committee declares it has found
the document "to be republican in
form, that it makes no distinction in
civil or political rights on account of
race or color, and that it is not
repugnant to the constitution of the
United States or the Declaration of In-
dependence."

The President has approved the con-
stitution and immediate action by the
House will be urged.

PROGRESSIVE LEADER AND OTHER REPUBLICANS OF NATION WIDE FAME TO SPEAK AT AKRON LINCOLN DAY FEAST

With Gifford Pinchot as the prin-
cipal speaker, Akron Republicans are
planning a Lincoln day feast in honor
of Abraham Lincoln on March 6.

The banquet will be the big fea-
ture of the evening. It is an-
nounced that no Akron men will
be speakers, but that several
other men of importance, state
and national, will make addresses.

Fifty plates have been reserved for
men who voted for Lincoln, who
will come from Summit and sur-

rounding counties. This, probably,
will be the beginning of a fight be-
tween the progressives and the con-
servatives for control of the Summit
county situation.

Ten committees have been ap-
pointed to take care of the big dele-
gations which are expected. Frank
W. Rockwell is chairman of the ex-
ecutive committee; Henry M. Han-
gelbarger, secretary executive com-
mittee; O. C. Barber, chairman re-

ception committee; Jonathan Tay-
lor, chairman visiting delegation
committee; G. L. Mott, chairman
ticket committee; W. W. McIntosh,
chairman banquet committee; Ed-
win Seedhouse, chairman speakers'
committee; W. E. Wilson, chairman
finance committee; W. M. Hultibide,
chairman hall committee; H. P.
Boynton, chairman press committee;
Judge R. M. Wanamaker is also an
enthusiastic worker.

U. S. SENATE FAILS TO OUST SENATOR LORIMER

Washington, March 1.—Senator
Lorimer retains his seat. By a vote
of 46 to 49 today the United States
senate closed the most bitter fight
of its kind in the country's history
and welcomed into its midst William
Lorimer as a member from Illinois.

The debate on the question lasted up
to the minute roll call came, LaFol-
lette holding the floor at 1:30 when
the chairman ordered the roll call.

Applause broke out in the galleries
when the result was shown but it
was quickly checked by Vice Presi-
dent Sherman.

Burton, of Ohio, voted to oust
Lorimer. Dick voted to retain him.

BETTING ON THE RESULT

New York, March 1.—Attorneys for
Anna Grunspan have brought evi-
dence that William L. Walling has
breach of promise.

The committee declares it has found
the document "to be republican in
form, that it makes no distinction in
civil or political rights on account of
race or color, and that it is not
repugnant to the constitution of the
United States or the Declaration of In-
dependence."

HARRISON VICTOR IN PRIMARY

Contest Was Close for
Chicagoan Who Has
Twice Been Mayor

EXCITEMENT PREVAILED

And Fights and Riots Were Nu-
merous—Merriam Captures
Republican Nomination.

Chicago, March 1.—Carter H. Har-
rison, Democrat, and Charles E. Mer-
riam, Republican, will be the candi-
dates for mayor of Chicago at the
election to be held April 4. Both
Democratic and Republican machines
were smashed yesterday.

The bitterest primary election fight
in the history of Chicago ended with
the selection of the above-named
standard bearers and simultaneously
begins what promises to be the most
hotly contested fight for the mayor-
alty in the city's history.

The result on the Democratic side
of the fence was contested until the
last ditch, Mr. Harrison winning out
by a comparatively small plurality
over Edward F. Dunne, while An-
drew J. Graham, the banker candi-
date, fathered by Roger Sullivan,
ran third in the race and was hope-
lessly beaten almost from the start.

On the Republican side Mr. Mer-
riam had virtually a walkover, his
total vote being nearly a majority
over all the other Republican candi-
dates.

Official figures were:
Democrat—
Carter H. Harrison 54,945
Edward F. Dunne 52,248
Andrew J. Graham 28,366
Republican—
Charles E. Merriam 54,288
John R. Thompson 26,108
John F. Smulski 24,167
Tom Murray 2,823

Mr. Harrison has already been
twice mayor of Chicago, and his
nearest opponent, Mr. Dunne, was
once the chief executive. Mr. Har-
rison is a son of the first Carter Har-
rison, who was assassinated while
mayor of Chicago, at the close of the
World's Fair in 1893.

Charles E. Merriam, college pro-
fessor, reformer and investigator,
headed the famous Merriam investi-
gating committee which turned the
Republican administration and or-
ganization upside down during the
past two years.

The primary fight developed more
bitter animus than has ever been
seen here. For weeks the city has
been placarded with cartoons and
announcements, most of them being
levelled at Mr. Harrison by the Dem-
ocratic machine.

Under the leadership of Roger
Sullivan, national figure in politics,
the machine has supported Andrew
J. Graham, a wealthy banker, while
Harrison's support has been chief-
ly vested in his personal following.

Every move made by the machine
was checked by the Harrison
forces, and on Monday afternoon,
realizing that his candidate was
beaten, Roger Sullivan ordered his
followers to throw their strength to
Dunne as a last desperate effort to
defeat Harrison.

This move was discovered and was
widely exposed, with the result that
while Dunne displayed an otherwise
surprising strength, not even the Sul-
livan ring was sufficient to overcome
the Harrison vote.

One man was shot dead, several
others were shot and stabbed, more
or less seriously, and small riots
were reported all over the city dur-
ing the course of the voting.

Through the efforts of County
Judge John E. Owens, a bitter foe
of the machine and of political cor-
ruption in general, Chicago probably
secured the most honest primary
election in its history. Judge Owens
recently caused to be arrested and
held for trial several hundred al-
leged repeaters who were fraudulent-
ly registered.

One notary public, who had his of-
fice in the Sullivan-Graham head-
quarters, has also been held for court
on the charge of fraudulently plac-
ing his seal upon affidavits declared
by the election commissioners to be
false. He is charged with issuing
them by the hundreds.

A force of nearly 200 investi-
gators, working in conjunction with
Judge Owens, ferreted out alleged ef-
forts at repeating, and even judges
of election were sworn in as officers
of the court by Judge Owens and in-
structed that they were supreme at
the polls.

In the actual majority fight to
come the enemy against Mr. Har-
rison on the part of the Democratic
machine will be matched by the de-
adly hatred engendered in the Repub-
lican ring by Mr. Merriam in the
course of his investigation, during
which he spared none.

PRES. LYNCH

Of Typographical Union Will En-
deavor to Adjust Trouble on
Chicago Papers.

Chicago, Ill., March 1.—Presi-
dent Lynch, of the Typographical
Union, expected to take
action compelling
employees of the H-
earst papers here to
return to work p-
ing a settle-
ment of the dispute.

Type for the H-
earst papers is now
being set at the H-
earst plant. The stri-
kers declare the H-
earst support them in
their demands.

Turner of the H-

MAYOR WHO WILL ATTEND TO HIS OWN CITY ONLY

Lakewood, O., March 1.—Mayor J. H.
Hinchey today announced that he
was through handling "boozie" cases
from other municipalities in Colum-
biana county, and would devote his
time to his own city.

The actor is never so much
concerned about the long waits be-
tween the acts as he is about the long waits
between pay days.

THAW BACKING INVESTIGATION

New York, March 1.—Harry K.
Thaw, inmate of Matteawan insane
asylum is financing a movement for
an investigation of the administration
of that institution. The management
is charged with mistreating and beat-
ing patients and holding persons who
have been cured for fear they would
talk when released. The officials say
the movement is backed by the Thaw
family, in the hope of getting Harry
transferred to another asylum.

IN SOCIAL CIRCLES

Mrs. W. T. Egan entertained the members of the Mid-week Card club and a number of guests at her home in Hudson avenue on Monday evening. The game was euchre and Mrs. William Fitzgibbon and Mr. Archibald Davis and Mr. James McGonagle received the club prizes for progressions and lone hands, while Mrs. Sylvester Kline, Mr. Darewood Egan and Mrs. Frank Fitzgibbon received the guest's trophies. A delicious supper was served the members and following guests: Mrs. Ross and daughter May, Mr. and Mrs. Darewood Egan, Mr. and Mrs. Frank Fitzgibbon.

The Ladies Aid society of the West Main Street M. E. church held its regular monthly meeting on Friday, February 24, at the home of Mrs. Jeffries in Pond street. The business of the society was transacted and the company which numbered about 90 ladies enjoyed the following program: Vocal solo—Mrs. Bertha Doomy Roe. Reading—Russell Rutherford. Violin solo—Mary Swisher.

A most pleasing feature of the afternoon's program was the complete surprise given President Mrs. W. F. May and Treasurer Mrs. Edward Christman. These two ladies have served the society in their respective offices for six consecutive years, and in appreciation of their faithfulness were each presented with a set of beautiful silver teaspoons and silver ladle. The presentation speech was made in a very pleasing manner by the pastor, Rev. H. J. Holcombe. Both ladies thanked the society for its token, and promised to lend their best efforts to the future work.

The Cotillion club gave the last of the present series of dances at Assembly hall on last evening and this concluding dance proved the most delightful of any of the preceding events. Lyons' orchestra furnished music delightful to the dancers and at eleven o'clock a most elaborate spread was served in the balcony. The supper consisted of four courses.

The dancers were: Messrs. and Mesdames Edward Shortell, George Tabler, George Nichols, Walter Coffman, David Taylor, Harry Rossel, John Higgins, J. D. Bader, J. G. Shiner, Bernard McDonough, William L. Lewis, E. E. McElroy, William Dowd, C. E. Besancency, Frank Horebier, E. W. Maurath, W. S. Elber, G. A. Krebs, Ned O'Brien, Nez Davis, John Miller.

Frank Snyder, Edward Hirst, James McGonagle, E. H. Hartman, Charles Miller, J. M. James, William Davis, C. V. Keller, Samuel Swan.

The No Name Pedro club was delightfully entertained by the hostess for this week Mrs. George Martin in Highland avenue. Prizes for the club game were awarded Mrs. Clem Coffman and Mrs. William Darks.

At six o'clock fourteen members and guests Mrs. J. J. Hankinson, Mrs. John Croman and Mrs. William Fulton were served a dinner. Hyacinths were used for the decorations. On March 14 the club will meet with Mrs. William Darks in Wilson street.

Mr. and Mrs. Harley Williams entertained a number of their friends on Monday evening at their home in Wilson street, the occasion being the birthday anniversary of Mrs. Williams. The evening was spent in games and a dainty repast of three courses was served. Mrs. Williams was the recipient of a number of pretty gifts. The guests were Mr. and Mrs. Darks, Mr. and Mrs. Frankenberg, Daisy Steinman, Hazel Rutherford, Charles Peiry and Russell Rutherford.

Miss Kathryn Simonds is entertaining at her home in Hudson avenue. Miss Bertha Stockwell of Boston, who will be her house guest for several weeks.

The Tuesday Bridge club spent the afternoon at the home of Mrs. George Flory in Ninth street on the afternoon appointed for the meetings. The game concluded with the awards for trophies being made to Mrs. Robert Davidson and Mrs. Frank Bartholomew. The only guests of the club were Mrs. W. S. Upson and Mrs. Frank Bolton.

The home of Mr. and Mrs. T. H. Hankinson, north of Granville, was the scene of a delightful party Saturday evening, the event honoring the eighteenth birthday anniversary of their daughter Mary. The evening was spent in various games and the

hostess received many beautiful presents. A dainty luncheon was served the following: Misses Mary Hankinson, Beattie Richards, Julia Neighbarger, Grace Saxton, Lena Hand, Bessie Hankinson, Clara Taylor, Edith Shaub, Grace Evans, Vada Saxton, Hazel Taylor, Viva Young, Mildred Jones, Belle Davies, Irene Williams, Blanche Hankinson, Messrs. Jay Mowrey, Clifton Bishop, Howard Freas, Harry Montgomery, Forest Cramer, Albert Hankinson, Roy Freas, John Davies, Raymond Hankinson, Dillon Hand, Frank Young, Edgar Taylor, Archie Hankinson, Ray Freas, Charles Freas, Fred Saxton, and Dennis Freas. The guests departed at a late hour wishing Miss Mary many happy returns.

Mrs. Sylvester Kline will entertain the members of her club, the Thursday Euchre club, at her home in Kibler avenue on the club afternoon of this week.

Miss Nellie Jones entertained at her home in North street on Tuesday with an evening party and a dinner at six o'clock. The event honored Miss Clara Zillhesen who soon leaves for her home in New York City.

The table appointments were pretty, and a menu of several courses was served, covers being laid for the following: Miss Zillhesen, May Swain, Harriet Roy and Maud Roy.

Mr. and Mrs. Samuel Weiss make the announcement that they will be at home after March fifth at 76 North Seventh street, where they will be pleased to welcome their many friends.

Miss Anna Sheridan entertained the members of an informal bridge club at her home in Morris street on Monday evening. The trophy for the game was received by Mrs. James Connors. A luncheon was served to the members and Mrs. P. J. Glancy, a guest.

The Thursday Afternoon Euchre club was entertained on Tuesday afternoon at the home of Mrs. George Streams in Flory avenue. The souvenirs for the card contest were awarded to Miss Helen Brennan and Mrs. Maurath.

A dainty luncheon was served the members and following guests, Mrs. C. E. Besancency and Mrs. Hewitt Shaub.

A number of friends perpetrated a most successful surprise on Miss Helen Schaller on Tuesday evening at her home in Elmwood avenue. The evening hours were devoted to playing euchre and the souvenirs were received by Miss Mary Stare and Mr. Earl Binder, the consolation favors were awarded to Miss Florence Kelley and Mr. Fred Cross.

NOBBY SUIT FOR EARLY SPRING

Just as soon as the weather permits the laying of heavy wraps aside, we shall see these smart little worsted and mohair frocks on the street.

In the shop windows there are the most admired feature of spring styles and many a woman possesses one, all ready to be donned at the first opportunity.

This trotteur suit is of navy serge with a trimming of black satin and braid.

There is a straight, rather narrow skirt and a little bodice that suggests a shortwaisted bolero jacket, a huge shawl collar of the satin crocheting over the bust in surprise effect.

GUANCIALE—VERMILLION. Mr. Frank Guanciale, foreman of the rolling mill in West Newark, and Miss Minnie May Vermillion were married Tuesday evening at 8 o'clock, the ceremony being performed by the Rev. G. W. Tyler. The newly married couple will make their home in Newark.

STEWART—WOLEVER.

Mr. Jesse M. Stewart, a prominent farmer residing north of the city, and Miss Ethel Kelle Wolever, the charming daughter of Mrs. Clara Wolever, living in the same vicinity, were married Wednesday morning by Rev. L. C. Sparks. The bride was beautifully gowned in silk and carried a lovely collection of American beauty roses. The ring ceremony of the Methodist Episcopal church was used, the wedding taking place at the parsonage on North Fifth street. The mother of the bride and Mrs. Anna Kelley witnessed the ceremony and immediately at its conclusion a newly wedded couple left on an extensive trip east in which they expect to visit Washington, New York, and other places of interest. On their return they will be at home to their friends on a farm north of the city.

SERVICE DIRECTOR APPOINTS NEW CITY ELECTRICIAN TODAY

An ordinance was passed the first of February, which created the position of electrician at the Municipal Electric Light plant, which also abolished the position of superintendent of Light and Water. Mr. A. E. Cramer has been filling the place, which was put under civil service.

Wednesday morning from three names sent to Service Director W. C. Christian by the civil service commission, he appointed Mr. A. E. Cramer to the position of electrician, as he had passed the highest examination for the place. The appointment became effective today.

Mayor Amode Wednesday appointed Miss Agnes Fitzpatrick to the second clerkship in the water works department, temporarily, as there was no list of eligibles submitted by the civil service commission.

Italian Spaghetti.—Break one-fourth of a pound of spaghetti into inch lengths, cover with boiling salted water, and boil for twenty minutes or until tender. Drain, pour cold water over the spaghetti and drain again. This is done to make the spaghetti tender instead of tough as it is apt to be. Melt two table spoonfuls of butter in a frying pan and brown delicately with a few slices of onion. Stir in one table spoonful of flour and mix until smooth; add one cupful of tomato juice, stir until smooth and strain. Last of all, add one or two table spoonfuls of Parmesan cheese, according to taste. Season with salt and pepper, pour over spaghetti and serve. The sauce can be made while the spaghetti is boiling, and if ready beforehand put over hot water to keep heated. It should be poured over the spaghetti as soon as that is drained from the water. Put the spaghetti on a dish, and as the sauce is poured over it lift the spaghetti with a fork that the sauce may penetrate every part.

Dumplings.—For a rich biscuit crust allow a good half cupful of shortening and two teaspoonfuls of baking powder to the quart of flour. Roll out somewhat less than a half inch thick and cut in four or five-inch squares. In the center of each place the fruit. This may be either fresh, canned or cooked evaporated; the two latter kinds must be drained free from syrup before using. Draw the paste up about the fruit and pinch tightly to prevent coozing, then arrange in a greased pan. When steamed, fully forty minutes should be allowed. When baking try the following method: Have two pans of the same size. Place the dumplings in one pan, pour over them a half cupful of cold water, cover with the second pan (inverted) and at once place in a quick oven; in thirty-five minutes uncover long enough to brown. The slight amount of water added will prevent the hardness and crustiness often complained of in baked dumplings.

GRAY HAIRS BANISHED.

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark glossy hair at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy and gradually restored the natural color. One objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days on account of it soiling quickly. This objection has been overcome and by asking almost any first-class druggist for Wyeth's Sage and Sulphur the public can get a superior preparation of sage, with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair but will also stop the hair from falling out and make it grow. It is sold in all druggists for 50c. and \$1.00 a bottle, or is sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.

For sale and recommended by F. D. Hall, druggist.

Everybody has something of interest for the coming Loan Exhibit. Please bring your articles in person if possible early in the morning of Monday, March 6. If impossible kindly notify committee who will send for them.

ASH WEDNESDAY SERVICES HELD IN LOCAL CHURCHES

Today marks the first day of Lent, and services peculiar to Ash Wednesday are being observed in all the Roman Catholic churches, and in some of the Protestant churches. In the Catholic churches of Newark, the St. Francis de Sales, will hold services every Wednesday night, followed by the Benediction of the Blessed Sacrament, and the Stations of the Cross will be on Friday evening. At the Church of the Blessed Sacrament after today, services will be held every Tuesday evening with Stations of the Cross on Friday evening.

The program of services to be held at Trinity Episcopal church was published in Tuesday's Advocate.

It is not generally known that this season of fasting and penance derives its name from Aashle-Saxon or Middle English words, and refers to the lengthening days at this period of the year. The season has been observed from time immemorial, although customs and manner of observance have changed greatly, and the person has remained about the same, being the 40 week days preceding Easter and excluding the Sundays which fall within that space of time.

closing of Lent, is a day of commemoration of the resurrection of Christ. It corresponds to the Passover of the Jews, who observe the day in a manner similar to the other churches. Easter Sunday this year falls on April 16.

Lent is a time of self-denial for all who formally observe its customs. This is especially true of the members of the Roman Catholic church, who for 40 days will abstain from all forms of amusements such as cards, dancing and theatre going, and will even deny themselves many of the luxuries and often the necessities of life, and will spend a great deal of time in meditation and prayer.

THAT LAST LIBEL

The Advocate is being commended
today from numerous sources for
its exposure yesterday of the last libel
on Newark by a news service sent out
from New York, alleging that
the detective from that city
had to have police protection
here before he could get away
with his prisoner. Those who
have not called in person to express
their gratitude have kept the office
telephones busy to show their ap-
preciation of the Advocate's prompt ac-
tion in calling down the libel. Several
gentlemen today made statements
that they had met Detective Con-
sidine personally and heard him ex-
press in warm terms his cordial treat-
ment by all whom he met in this city.
The Advocate can always be counted
on to defend Newark. It is a news-
paper duty.

**DEMOCRATIC
MAJORITIES
IN CITIES**

The Democrats and Republicans
held their primary elections in Cincin-
ati Tuesday for the nomination of
candidates for Mayor and other mun-
icipal officers. The total vote cast by
the Democrats was 14,774 and that of
the Republicans was 10,734. This
shows that there were 3,940 more
Democratic votes than Republican
votes, though both parties were equal-
ly wrought up by the prevailing con-
ditions and issues. The growth of the
Democratic vote in the cities the past
few years has been unprecedented.
Outside of the boss ridden state of
Pennsylvania there is not a leading
city in the United States that can show
a Republican majority today.

**COMPETITIVE
BIDDING FOR
STATE FUNDS**

Without a dissenting vote the House
of Representatives enacted into law
the Cetone bill making compulsory the
deposit of state funds by competitive
bidding. It has already passed the
Senate, but will have to go back to
that body for concurrence in a couple
of unimportant amendments.
The enactment of this law is regard-
ed as a great personal victory for State
Treasurer D. Staley Creamer, who in
1909, of his own volition, inaugurated
this plan. It was also a redemption
of one of the Democratic state platform
pledges.
The abuses under the old system fur-
nished Governor Harmon with much
material for his campaigning and also
the Attorney General a basis for suits
against Treasurers and their legisla-
men. Under the Cetone bill a new
State Board of Deposit is created, con-
sisting of the Treasurer, Attorney Gen-
eral and State Superintendent of
Banks. This last officer takes the
place of the Auditor of State, who
was a member of the Deposit Commis-
sion created in 1905, under the law
passed at the behest of former Gov-
ernor Myron T. Herrick.

**YOUR STOMACH
FEELS FINE IN
FIVE MINUTES**

As there is often some one in your
family who suffers an attack of in-
digestion or some form of Stomach
trouble, why don't you keep some
Diapiesin in the house handy?
This harmless blessing will digest
anything you can eat without the
slightest discomfort, and overcome a
sour, gassy Stomach five minutes
after.
Tell your pharmacist to let you
read the formula, plainly printed on
these 50-cent cases of Pape's Diapiesin.
Then you will readily see why
it makes Indigestion, Sour Stomach,
Heartburn and other distress go in
five minutes, and relieves at once
such miseries as Belching of Gas,
Eructations of sour, indigested food,
Nausea, Headaches, Dizziness, Con-
stipation and other Stomach disor-
ders.
Some folks have tried so long to
find relief from Indigestion and Dys-
pepsia or an out-of-order stomach
with the common, every-day cures
advertised that they have about
made up their minds that they have
something else wrong, or believe
there is a case of Nervousness, Gas-
tritis, Catarrh of the Stomach or
Cancer.
This, no doubt, is a serious mis-
take. You are not digesting, what
you eat does not digest. Instead, it
ferments and sours, turns to acid
Gas and Stomach poison, which natu-
rally in the digestive tract and in-
testines, and, besides, poison the
breath with nauseous odors.
A hearty appetite, with thorough
digestion, and without the slightest
discomfort or misery of the Stomach,
is waiting for you as soon as you
decide to try Pape's Diapiesin.

**CONSERVATION
OF NATURAL GAS**

The great waste of natural gas in
the fields where it is produced has
been largely overcome but there is
still a terrible waste in the cities
where it is used.
This waste is due to unscientific
methods and improperly constructed
apparatus.
Burners are defective and gas es-
capes unburned. Apparatus for use
of gas is unscientific and the heat
produced is wasted.
It is clear that if some of the gas
used is not burned and much of the
heat produced goes up the chimney,
it will be necessary to use an ex-
cessive amount of gas to make up for
this waste.
It is probable that the amount of gas
used in any city is double what
would be required with scientific
treatment of the problem.
There has been much scientific
study of methods for conserving the
heat contained in coal but the opinion
prevailed that no scientific knowl-
edge was necessary in the construc-
tion of apparatus for gas. The result
has been enormous waste and un-
satisfactory results.
Some twelve years ago R. S.
Thompson of Springfield began an
investigation of the entire subject,
giving special attention to the use of
gas in warm air systems. He ex-
amined the systems in use, compared
the results actually secured with
what science showed should be re-
sulted, and then looked for the cause
of the wide discrepancy which he
found existed. The causes ascertain-
ed then followed a long course of
experimental work to originate, de-
velop and perfect a system for the
use of gas in warm air heating which
would be scientific, sanitary and suc-
cessful.
The enormous difference between
scientific and unscientific treatment
of the subject is shown by the fact
that while in the ordinary apparatus
there is a waste of from 40 to 75
percent, in the system invented by
Mr. Thompson the loss is but 2 per-
cent. No other heating apparatus
has ever been devised which ap-
proaches this in efficiency.
In recognition of his services in
this special line and in the general
science of heating and ventilating,
Mr. Thompson was elected president
of the American Society
of Heating and Ventilating Engi-
neers, in that society he is regard-
ed as a special authority in the use
of gas and one of the highest auth-
orities in the United States on all
matters connected with the use of
warm air in heating and ventilation.
He is now connected with the
Ideal Heating Company of Colum-
bus, which carries all his patents.

OBITUARY

REV. FATHER ARTHUR KERNAN.
The funeral of Rev. Father Arthur
Kernan, of the Dominican Order, who
died in a hospital at Louisville, Ky.,
Monday night, was held in Somerset
Wednesday morning and burial was
made in the cemetery adjoining St.
Joseph's College. The body arrived
in Newark late Tuesday evening and
was taken to the home of the sister,
the dead man, Mrs. Bernard Win-
gerter of West Church street. Early
Wednesday morning the body was ta-
ken to Somerset.

The deceased was the son of Mr.
and Mrs. Matthew A. Kernan of
Zanesville. He had been ill for about
two weeks with pneumonia. At his
bedside when the end came were his
brother, Father Joseph Kernan, O. P.,
and his sister, Miss Theresa Kernan.
For several months his venerable
father has been seriously ill at the
family home, and the news of the
death of his distinguished son has
proved a severe shock.

The deceased was born in New
Lexington, Perry county, April 12,
1857. At an early age he went to
Zanesville with his parents and at-
tended St. Thomas' parochial school.
Upon finishing his studies he entered
the Dominican college at St. Rose,
near Springfield, Ky., and after a pre-
paratory course he entered the St.
Joseph Theological Seminary of the
Dominicans near Somerset, Perry
county. On Nov. 1, 1882, at St. Jo-
seph's, he was elevated to the priest-
hood. During his life as a priest he
was stationed at Memphis, Tenn.;
Newark, N. J.; Denver, Colo.; Minne-
apolis, Minn., and Louisville, Ky.

Father Kernan was a brilliant and
scholarly divine, prominent in the af-
fairs of the Dominican order, and
well known throughout the country.
Father Kernan leaves behind him his
loss the parents, Mr. and Mrs. M. A.
Kernan, four sisters and five broth-
ers, as follows: Mrs. Daniel Luby,
Zanesville; Mrs. W. B. Wengerter, of
this city; Misses Mary and Theresia
Kernan of the home; Rev. Father Jo-
seph Kernan, O. P., of Springfield,
Ky.; John D. Michael, A. P. S., and
D. L. Kernan of Zanesville.

MRS. ELIZABETH FEURNEGEL.
Mrs. Elizabeth Feurnegel, widow
of the late August Feurnegel, died
at the home of Mr. Henry Vogel, 47
Pataskala street, at 7 o'clock Tues-
day evening, of weaknesses incidental
to old age. She was born in Brink-
um, Germany, Sept. 20, 1825, and
was therefore aged 85 years, 6
months and 6 days.
The funeral services will be held
from the St. Johns German Lutheran
church at 2 o'clock Thursday after-
noon. Rev. P. G. Saffran, conducting
the services. Interment will be
made in Cedar Hill cemetery.

HENRY O. WINTERMUTE.
Mrs. Saffrey P. Berry of Central
avenue, this city, was called to Mt.
Vernon by the death of her grand-
father, Henry O. Wintermute, at that
city. Mr. Wintermute is well known
here and was aged 80 years. He was
a prominent Mason and a veteran of
the Civil War. The death occurred
Monday evening at 11:30 o'clock at
his home in Mt. Vernon. The fun-
eral services will be held there on
Thursday.

MRS. CASSANDRA HOWARD.
Mrs. Cassandra Howard, a former
well known colored woman of this
city, but who for some time past has
been making her home in Cleveland,
died at her home in that city Mon-
day, Feb. 27, after an illness of some-
time, aged 64 years. The remains
were brought to Newark Tuesday
night, coming over the B. & O., and
were taken to the undertaking par-
lors of Miss Bros. & Jones, where
they will lie until Thursday, when
they will be taken to the A. M. E.
church, where the funeral services
will be held at 2 o'clock. The in-
terment will be made in Cedar Hill
cemetery. She leaves three children,
two daughters and one son.

MISS REBECCA WOODS.
The funeral of Miss Rebecca
Woods, who died at the home of her
sister, Mrs. A. A. Stadel, 52 East Lo-
cust street, Monday morning, was
held from the St. James home Wednes-
day morning at 11 o'clock. At-
tending services at the house, the body
was taken to Hanover, where ser-
vices were held in the Presbyterian
church, and the interment was made
in the Hanover cemetery.

OBITUARY.

Mary Rasmussen, daughter of Lewis
and Elizabeth Rasmussen, born near
Marion, Grant county, Ind., March
24, 1882, died Feb. 28, 1911, aged
27 years, 10 months and 26 days. O.
May 30, 1897, she was confirmed in
the St. Paul's Evangelical Lutheran

sons and one daughter. A father,
four brothers, two sisters and many
relatives and friends to mourn her
loss. The burial services were held
at her late home at Glenford. It was
the request of the deceased to pub-
licly thank all who helped in her sore
affliction and in her last hours on
earth.

FUNERAL OF WM. SHIELDS.

Mrs. Wm. Shields Jr. arrived here
at 12:15 Wednesday afternoon with
the remains of her husband, hav-
ing been delayed by a misconnection
at Chicago. Short services were
held at the chapel at Cedar Hill cem-
etery, conducted by Rev. L. P.
Franklin, and the interment was
made on the old Shields lot in the
presence of a number of friends of
the deceased.

HOW I WAS CURED OF SCROFULA

"I was in a very bad condition with scrofulous swellings round my neck. It started with a bunch on the side of my neck and it kept growing until the whole side of my face was swollen.

"I had tried every thing in the shape of medicines for five years. I had gone under an operation in one of the hospitals in Boston and had them cut out. I had thirty little tubular glands taken from back of my ear down my shoulder. After the cuts healed over they started to come again and worse than before.

"After suffering so much I thought I would try Pinkham's Blood Purifier and before I had taken two bottles there was a great change in the swellings. I continued its use and to-day I am a well woman Every word of this is true.

"I cannot speak too highly in praise of Pinkham's Blood Purifier."
—Mrs. W. H. HAYNES, 28 Adams Avenue, Everett, Mass.

The tendency to Scrofula seems to be hereditary and it is hard to overcome. It may lie dormant for years, and then break out anew from time to time.

The only known remedy for Scrofula is to keep the blood pure and rich by the use of a good blood purifier. It may require long treatment, but Mrs. Haynes found that Pinkham's Blood Purifier cured her of this dreadful disease, after all other means had failed.

Pinkham's Blood Purifier is equally as good for all diseases emanating from impure, impoverished blood, and is the best Spring medicine known. People will find the Blood Purifier just as reliable a remedy as the women of the world have found Lydia E. Pinkham's Vegetable Compound. Unequalled—satisfying and dependable.

AMUSEMENTS

The Girl and the Outlaw.

A graphic story of modern times is Bert Mosher's newest offering, featuring a new star with a brilliant future, Roy La Marr. It is a play out of the ordinary, full of play and action, inspiring in its theme, thrilling in its situations and declared by critics to be one of the most perfectly constructed plays of today. It depicts life in the locale of the story as it could be pictured only by one intimately acquainted with the passion, impulses and motives which inspire deep in the heart of nature. Throughout the play there is a tenderness and natural wisdom which speaks volumes, offered for your approval on Saturday, matinee and night, at the Auditorium theatre, March 4. Seats on sale Friday morning at 9 a. m.

Cutter Stock Co.

Allen O. White, the proprietor and manager of the Cutter Stock com-

pany, which will open a week's engagement at the Auditorium theatre Monday matinee, March 6, at a dinner a few nights ago, was telling about the difficulties which open air acts sometime encounter. Last summer while paying a visit to a few of my friends who playing a certain White City in Illinois, the first three days of my visit it rained, and the manager was nearly frantic. Finally he announced the fact that the vaudeville bill announced for that week would be given in the skating rink the following night. So the next morning all the performers gathered there to fix up their props, etc., except one, who wore a very worried look, and the manager, noticing it, said, "Well, what's the matter with you? I've got to pay you, whether you work or not, so you had better go over there and get ready to do your act under the roof tonight." "Gee," was the reply, "I do a balloon ascension." But rain or no rain, the Cutter Stock company will open a week's engagement at the Auditorium, commencing next Monday, presenting as the opening play, Monday matinee, "A Fool of Fortune," and Monday evening a dramatization of Bertha M. Clay's best novel, "Thorns and Orange Blossoms."

Seat sale opens Saturday morning at 9 a. m. Ladies' tickets limited to 250. First come, first served.

The Climax.

Edward Locke undertook a delicate task when he took as the theme for his delightful drama, "The Climax," the life and struggles of three musicians, naturally Bohemians, and introduced a physician in it as the lover of the future prima donna, Adeline. The mental grasp of the man of medicine is totally at variance with those of his associates. This naturally brings up complications, which one not in sympathy with the viewpoints of each school, musical and medical, could easily make ridiculous. That Mr. Locke wrote one of the greatest dramatic successes of the century speaks volumes for his cleverness. "The Climax" is coming to the Auditorium theatre soon.

The Man on the Box.

"The Man on the Box," the play made from Harold McGrath's popular novel of that name, will be the attraction at the Auditorium theatre at an early date for one performance. It is a bright, clever comedy, full of amusing situations. It is not all laughs, however, for there is a very pretty love story and the faintest hint of melodrama, all combining to make a play that furnishes excellent entertainment.

Orpheum.

Go see what everybody is talking about. The best vaudeville show ever in the city at the Arcade theatre. The Shubert Musical Trio, founder of the famous Shubert Quartette, in their banjo, harp, guitar and saxophone selections, make an instant hit, and their clever, catchy songs are excellent. They sing them in that easy, smiling, pleasing way that every one likes. This act is truly and greatest hit ever in the house and too much cannot be said about it. Miss Della Stacey, assisted by Alexis Bass, is presenting a very good musical act. Miss Stacey's gowns are beautiful and she also carries an excellent line of special scenery. Mr. Beas has a rich, deep voice and is winning his share of the applause. A Newark audience can appreciate good work and Pete Baker certainly warmed the house. On the bill he is called a Dutch comedian, but a cosmopolitan comedian and all around entertainer would be more fitting. He belongs more to the after dinner class of entertainers, and his fund of bright stories, recitations, songs, all new and well delivered, carries the house with him. His dialect work is especially commendable and the crowds let him go under protest. The Leighs are delivering an up-to-date juggling act and are more than pleasing to all who have seen them.

Hives, eczema, itch of salt rheum sets you crazy. Can't bear the touch of your clothing. Doan's Ointment cures the most obstinate cases. Why suffer. All druggists sell it.

GAS COMPANY EXPLAINS FACTS ON SITUATION

(Communicated.)

In the belief that all of the citizens of this city are not acquainted with the terms of the gas ordinance pending before the city council, the Newark Natural Gas and Fuel Company wishes to make the following statement.

This ordinance provides for a rate of 22c a thousand cubic feet for the first year with a discount of 2c, and for 25c for the following four years, with a discount of 2 1/2c, with a minimum rate per month of its price of 1000 cubic feet.

Every one cognizant with the situation knows that the supply of natural gas in this section is fast depleting. With a half dozen large companies constantly developing and transporting it out of this territory to other cities and towns, in a few years there will be little, if any, natural gas found in this field. As it is at present, fully one-third of the gas consumed in this city is obtained from the West Virginia fields under the circumstances, therefore, the company feels that a raise in price is demanded. For the past ten years, in fact, ever since the life of the present franchise, the company was empowered to charge 25c net a thousand cubic feet for its gas. Instead of that it furnished gas at the rate of 18c net, and now, conditions having changed, a higher price is necessitated.

The Newark Natural Gas & Fuel Co. further desires to say that it is simply a distributing company; it has no gas wells and has no producing gas territory. It has to buy its gas from other companies and then sell it to the citizens of Newark. These other companies have no contract rights with the city of Newark and no priority exists between them and the city. These producing companies can now sell their gas elsewhere at better rates and will naturally discontinue the supply to the local company unless a better price is procured in Newark.

The company does not care to enter into litigation with the city. However, unless the council accedes to the rate set forth in the ordinance pending at this time, the company will not be able to furnish gas to the city, and will not do so simply because it will not be able to purchase gas at a price that would enable it to furnish gas under the old rates.

The gas company feels that it should publish this statement in fairness to the citizens, so that they may all become acquainted with the gas situation as it exists at this time. THE NEWARK NATURAL GAS & FUEL COMPANY.

REMOVES DANDRUFF

Puts Life Into Faded Hair and Stops Scalp Itch.

If your hair is dull and lifeless, is falling out and getting thin on top, then you need Parisian Sage, and the quicker you get it, the sooner you will thank Evans' Drug Store for selling you such a worthy, dependable hair restorer, dandruff cure and hair dressing.

Read what Mrs. M. A. May, of 167 East Elizabeth street, Detroit, Mich., writes on June 6, 1910:

"I have used many hair restorers but have received no apparent benefit until I tried Parisian Sage. My hair is soft and silky, and while before I commenced using the remedy my hair was falling fast, was dry and harsh, and faded, and altogether unlovely, now just within the past few weeks several have remarked how lovely my hair was. It is also fine just for a dressing, leaving the hair soft and fluffy. It removes dandruff and cures itching of scalp. I certainly take pleasure in recommending Parisian Sage."

Parisian Sage is sold by Evans' Drug Store and druggists everywhere. Get a 50 cent bottle today, use it for two weeks and if you are not satisfied that it will do all that it is advertised to do you can have your money back. The girl with the Auburn hair is on every package.

NEWARKITES ATTEND THE TORRY MEETING HELD AT ZANESVILLE

Three car loads of Newark people, about 120 in all, went to Zanesville Tuesday night to attend the Torrey meetings, which are being held in a barnacle seating 3,000 people. Those who went report that the services are largely attended, the music under the direction of Mr. McEwen and a choir of over one hundred voices being especially good. Seats were reserved for the Newark visitors, and during the singing of "The Whole World for Jesus," Miss Una Marshall was called on the platform to sing the chorus, which she did with much power, as the always puts out into her singing. Dr. Torrey is a well known evangelist, with much power of personality and great earnestness, and much good will no doubt result.

Daddy's Bedtime Story— King Alfred

The King Playing on a Harp

"I THINK you have heard, children," said daddy one evening in beginning his bedtime story, for Edward and Joan, about the good King Alfred, who reigned in England more than a thousand years ago. He was one of the best kings England ever had, and many stories are told about him. A very famous one is the story of his being scolded by a poor woman for letting her cakes burn. He had been defeated by his enemies, the Danes, and had to run away for his life. When the poor woman who gave him shelter set him to watch her cakes he first ran about them and let them burn. "But I want to tell you this evening how King Alfred fooled the Danes. The Danes were good fighting men, and they had gone to England from their own country with the idea of taking England away from the English. The English people were not as strong as the Danes and could do little against them until Alfred became king. Even he could not beat the Danes, although he defeated them in some battles, so in the end England was divided between the English and the Danes.

"At one time King Alfred was making ready to fight against the Danes. They were encamped in a strong place, and they were very careful not to let any of the English come near. So King Alfred could not find out how many of them there were or how well armed they were. You see, it is a very good thing for a general to learn how many men his enemy has so he may learn whether or not he has enough men to beat them. This is what Alfred wanted to know, but the Danes caught every one of his men whom he sent near their camp to spy on them. So the king made up his mind to go himself.

"He was a very good player on the harp, and he knew that the Danes were fond of harp playing. The king dressed himself as a harp player, therefore, and went to the camp of the Danes. They did not think that the poor harper who begged that he might be allowed to play for them could be the English king. They let him go wherever he wished in their camp, and he even went to the tent of the Danish king and played for him. Wherever he went King Alfred kept his eyes and his ears wide open, and you may be sure that he soon learned all that could be learned about the enemy. Then when he had a good opportunity he left the camp and went back to his own people. The knowledge he had gained of the enemy proved of great help to him and his soldiers when it came to fighting against the Danes. The English won a great battle from the enemy.

"But King Alfred was more than a fighter. He was a learned and wise man, and he taught many things to his people."

Sore Throat Don'ts.
When the children have sore throat, don't blister their necks with lamp oil. Don't torture them with a foul smelling piece of fat meat, wrapped about the neck. Don't imagine there is medical virtue in an old sock or piece of red flannel. Don't believe in antiquated superstitions. A sore throat is a serious matter and is not to be healed by such make-believe remedies. The use of such methods is simply putting the patient to needless torture. Use a little sore throat wisdom and give them TONSILINE and the throat will heal quickly. 25 cents and 50 cents. Hospital Size \$1.00. All Druggists.

MISSIONARIES.
A large and well trained corps of native missionaries, brought from "the land of the heathen," educated here according to Christian doctrines and inoculated with love for Christian living and sent back to their homes to preach by word and example the enlightenment of Christianity, would be far more potent preventive of "dangers from without" than the whole United States navy and could be done at one-tenth the cost. The Christian religion is responsible more than any other thing for this nation's position in the world, its progress and the greatness of its future.—William J. Bryan.

CURES RHEUMATISM
If It Don't You Can Get Your Money Back. Says Evans' Drug Store.
Now when Evans' Drug Store, the well known drugist, makes such an offer as that, where, Oh where, is the man or woman full of Eric Acid poison, which is the same as Rheumatism who is going to turn it down?
Evans' Drug Store has sold a whole lot of Rheuma these last few months and if it didn't do as advertised, he could not afford to make the offer. Here is more proof: Porter Smith, Dobbin, W. Va., writes: "I have been a great sufferer from rheumatism for about 26 years and the disease had become chronic. I began taking Rheuma with little faith in its virtues but was better from the first day. I began its use and at this time have no more pains." Feb. 20, 1910.
Rheuma never shirks its duty. It begins with the first dose to act on the kidneys, liver, stomach and blood and to eliminate rheumatic poison from the whole system. 50 cents at Evans' Drug Store, or mailed by the Rheuma Cure, Buffalo, N. Y. Send for free trial bottle.

REVISION OF THE TEN COMMANDMENTS
Cambridge, Mass., Feb. 1.—Rev. Dr. Henry S. Nash, professor of New Testament literature in the Episcopal Theological School, favors the revision of the Ten Commandments. Dr. Nash says:

"The reason it is proposed to shorten the Commandments is that in their present form they are not as they were originally chiseled in stone by Moses. The idea that God handed the Commandments down to Moses already written out," he asserts, "is ridiculous. God gave Moses the idea of the Commandments, then Moses cut them in stone. Then statements, prophets and politicians added to them, making them apply to their particular age, until they came down to us in their present unwieldy shape.

"The Commandments, as they are today, are padded with theology," Dr. Nash declares, "and what is wanted is that they shall be put in short, concise, durable shape, so that they will reflect just the teachings that God meant for all time, without extraneous matter."

COMMUNICATED

Editor Advocate:—The report and recommendation of the Good Roads committee presented to the Newark Board of Trade at its meeting the 17th of February, and which received such hearty endorsement by that body, is open to some very just criticism. However, let it be understood at the outset that we are not opposed to good roads, but to the manner in which it is proposed to expend this special road fund.

This committee recommends the expenditure of \$50,000 on each of the four roads leading from Newark to Columbus, Mt. Vernon, Zanesville and Thornville respectively, which amount would improve these roads to practically the county line on each side of the county. These gentlemen seem to forget that there are miles and miles of other roads in Licking county more deserving of improvement and just as important to the farmers and taxpayers who live in sections untouched by these roads. Practically all the section of country traversed by these four roads, is also traversed by either or both steam and electric lines which gives them almost hourly transportation facilities, not only to Newark but to the surrounding towns. Local stations are available for shipping their farm products without the expense of the long wagon haul which is necessary from some other sections of the county.

Three of these roads traverse sections underlain by inexhaustible deposits of gravel which not only afford them an abundance of cheap road material, but also the best of natural drainage which is absolutely necessary for good roads.

Further, the building of these pikes to the county line will give the farmers of Franklin, Knox, Muskingum and Perry counties, who come to Newark only occasionally by wagon, far better roads than hundreds of farmers in the townships adjacent to Newark, who make from one to five trips a week to Newark. These people from the surrounding townships are the ones who supply Newark consumers with the best of farm produce at prices often lower than the wholesale prices in nearby cities, and who purchase practically all their supplies from Newark merchants. They are loyal to the Boards' "Boost Newark" campaign, for the success of the city is theirs also. It is Licking county farmers who have helped pay the

taxes to build the substantial public improvements in Newark, and it is these same farmers who will be taxed to build these roads for the benefit of farmers in these other counties who have never contributed a penny in taxation for Newark's improvement.

Gentlemen? Are you loyal to Licking county farmers?

We respectfully suggest that the Good Roads committee make a trip at once over the road leading from the south corporation line south-east to Linville and to Brownsville via Flint Ridge road. Here is a road which, according to official authority, carries much more traffic, especially heavy hauling, than some of the roads proposed for improvement. It reaches a good farming section remote from the railroads and practically all the produce of this section is hauled by team and wagon to Newark, a distance of from three to thirteen miles. The soil and subsoil are largely clay, very retentive of moisture, which makes good winter roads practically impossible. Besides there is a lack of good road-building material, and these townships are not favored by the large railroad taxes with which practically all of the townships along the proposed roads are favored. Despite this fact, however, the roads have been kept fairly good for summer travel by the public spirit which favors good roads. This section has paid thousands of dollars in taxes and gotten practically nothing in return. There are no large bridges and not many small ones. No public improvement of any kind, except an occasional small appropriation to improve some short stretch of road next to impossible. Yet the farmers and taxpayers of this section have remained silent. Now, however, "forbearance ceases to be a virtue," and if this county is to enter upon an era of Good Roads, we ask, no we demand, that we be granted at least our share of the improvements. The proposed roads will be of no benefit whatever to hundreds of farmers and taxpayers of south-eastern, and other portions of Licking county untouched by these roads, whose farms recently have been doubled in value for taxation purposes, while many of them are not as valuable for crop-production as they were twenty years ago.

Then why issue bonds to build these roads? This issue will be but a beginning, and a few years hence will see our farms and homes bonded or mortgaged for \$1,000,000 to build roads which experience has proven are not permanent, but which require a large annual outlay for repairs. Besides, these roads produce no income to meet their expense. Every dollar to build and repair and pay interest on the bonds must come by increased taxation. The present generation of school children will not see the end of this taxation.

But the men who want the bonds are anxious that we build these roads. It gives them opportunity to invest large sums of money where it can escape its share of taxation, as these bonds are exempt from taxation, while the farmer and home owner is taxed to the limit on all he has.

Now, gentlemen, the farmers are not antagonizing the city of Newark. They are just as anxious to see the city grow and prosper, and become the home of large manufacturing enterprises as is your honorable Board of Trade. But are we not hindering that very object when we load our city and county with a burden of bonds and mortgages which all prospective investors will consider before making large investments?

We, the farmers, are not asking for any special favors, or any class legislation but we do demand an equitable and economic distribution of the taxes of Licking county, the larger proportion of which we pay.

The writer has prepared this article at the request of a number of prominent taxpayers of his township, who are vitally interested in this matter.

FORMER STATE TREASURER'S BOND HELD LIABLE

Columbus, O., March 1.—Demurrers filed by the bondsmen of the late Treasurer of State W. S. McKinnon against the petition filed by the State of Ohio to recover money received as interest upon state funds unlawfully deposited by him in private banks yesterday were overruled by Judge Thomas M. Bigger. This decision was made before, but because the Supreme court in the case of County Recorder Willis T. Pierson, held that the embezzlement of interest on public money was not in fact embezzlement contemplated in the penal statute, a rehearing was granted.

At this rehearing the attorney for the 16 bondsmen asserted that the cases were on all fours, and this view seems to have been accepted even by Judge Gorman in Hamilton county, and by Prosecuting Attorney Harry T. Hunt. Judge Bigger yesterday ruled that the conditions were not the same. McKinnon, he found, loaned the money illegally to the banks and confiscated the interest. This was the point made by Special Counsel R. W. McCoy, representing Attorney General Hogan. The amount claimed by the state is \$116,585.

The result of yesterday's action is that the bondsmen will now have to go to trial upon the merits of the state's petition. Among the bondsmen involved are former Treasurer of State Isaac B. Cameron, who is himself a defendant in another suit; former State Bank Superintendent B. B. Seymour; Harry M. Daugherty; President W. S. Courtwright of the Union National Bank; President William Huffman of the Commercial National Bank; County Clerk Howard Park, and Theodore M. Livesay, prominent in legal circles.

FIVE MINUTES SOMETIMES MAKES A BIG DIFFERENCE

If You Are Suffering the Tortures of Indigestion and Have to Wait Until Someone Runs to the Drug Store for a Box of Stuart's Dyspepsia Tablets.

Free Trial Package. The instant relief afforded poor overburdened stomachs by the use of a Stuart's Dyspepsia Tablet should be a reason for constantly keeping a box on hand—at home and at the office as well.

The Stomach Welcomes Quick Relief.

A Stuart's Tablet not only aids digestion but it actually does the digesting itself. In other words it furnishes exactly the same elements for the digestion of food as the natural juices of the stomach. The stomach, therefore, is not called upon to do any of the work except to churn the juices furnished by the tablets and then push the digested food along into the intestines where it will be still further digested and the strength taken up by the blood to be carried to the muscles and nerves of the body.

So by taking a Stuart's Dyspepsia Tablet after a meal you give the stomach the rest it needs in which to mend itself and grow well again. And you absolutely prevent the souring of any food, the formation of any poisonous gases, belching, foul breath or constipation.

Stuart's Dyspepsia Tablets have done more for humanity and have caused more rejoicing than any other agency that can be named.

Every druggist everywhere sells and personally recommends Stuart's Dyspepsia Tablets. The price is 50 cents per box. If you first wish to try them a sample package will be sent you free if you write to F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

OLD DENISON OUTPOINTED WESLEYAN

Humor Prevailed When the Judges Announced Decision—News of Granville and Vicinity.

Granville, March 1.—One of the most hotly contested debates that Denison ever took part in was that of Tuesday night when a selected team of Denison's best orators outpointed Wesleyan. The debate took place in Recital hall, which was packed to the doors with friends of Denison. The subject discussed was, "Resolved, That Congress should provide for the establishment of a Central Bank, constitutionality conceded." Wesleyan was represented on the affirmative side of the question by Donnon, Sisson and McClelland, while the negative side of the question was handled by Diebel, Stevens and Gillispie. The proposition was ably handled by both sides, but it was clearly seen that in delivery and forceful argumentation that the Denison men were the superiors of their opponents. Diebel was right there with the goods every time, while Stevens and Gillispie made a favorable impression on the audience and the judges from the start. Both sides did

Combined whole wheat and barley in such a way that it is PARTLY digested before being eaten.

The DIASTASE in the barley, in the presence of heat and moisture, changes the more or less indigestible starch part of the grain into an easily digested form of sugar—just as the organs of the body change it if they operate properly.

Thus the expert solved the problem of perfect digestion for those who may be below par.

splendid work and it looked as though the judges would find it difficult to make a decision. The judges, H. A. Cassidy of Lancaster, Edward L. Wineland of Columbus and John L. Davies also of Columbus, however, gave all three decisions in the negative. When the decision of the judges was announced the friends of Denison went wild and for a few moments a wild scene of hilarity prevailed. During the debate Miss Marion Rose rendered a vocal solo and the Glee club gave a selection and several encores.

On Saturday Ohio University will send her track team to Granville to compete with Denison in an indoor track meet. The battle will commence at 2 o'clock in Swasey Gym. It is hoped that there will be a large attendance thereby lending encouragement to the home team.

At the regular meeting of the Denison Scientific Association held on Tuesday evening there was a good attendance of the members and an exceedingly interesting program was carried out. "The Slide Rule and Its Application," was the subject of the report of T. S. Johnson. M. H. Shipley reported on Prof. Harrison's "Theory of Growth of Nerve Connections." Dr. Carney gave an illustrated talk on "The Origin of the Great Lakes."

Time and again your correspondent has had his attention called to the fact that the small boy armed with the flobert rifle is doing more to depopulate the bird family in this section than anything else. It is estimated that fully 90 per cent of the bird life of the country has been destroyed by ruthless slaughter, and that this unwarranted destruction is costing the government one billion dollars annually. In other words the crops were \$1,000,000 short every year because the birds were not present in numbers as great as necessary to destroy insects.

OREGON PLAN FOR ELECTING U. S. SENATORS

May Now Pass Legislature By Reason of Direct Vote Defeat at Washington.

Columbus, March 1.—As a result of the defeat of the direct election bill in the United States senate yesterday it is assured that the pending Stockwell bill, providing for the Oregon plan for choice, will be reported to the Ohio senate this week, and in all probability will be passed.

Chairman Isaac Huffman, of the committee on privileges and elections, made the statement that the measure would undoubtedly be sent to the floor by that body, but with-out recommendation for passage.

The author of the bill, Senator John Stockwell, of Cleveland, has received positive assurances to this effect also.

Last week Senator George Cefone, of Dayton, who has been acting with Chairman Huffman, Senator Frank Dore and others in keeping the Stockwell bill of the calendar, stated that if the United States senate failed to act by March 4, he would cease further opposition and vote to report the measure.

"It is outrageous," was the only comment made upon the action of the United States senate by Lieutenant Governor Bismarck, who will after Friday not be a member of that body, when the news of the bill's defeat was carried to him.

Governor Harlan has not yielded the fight for the enactment of the Stockwell bill, though he has not made any headway. It is certain that a renewal of pressure when the measure comes up will largely aid in its passage. It is also likely that the defeat today will bring back into line the Republican senators like Todd, of Mahoning, and McDonald, of Ashtabula, who quarreled with Stockwell because of the filibustering tactics on the Green coal screen bill.

ROLAND PYTHIANS HELD ENJOYABLE AFFAIR TUESDAY EVE.

Occasion Was Celebration of the 47th Anniversary of the Founding of the Order.

Tuesday night, Feb. 28, witnessed a red letter occasion in the history of Roland Lodge, No. 505, Knights of Pythias of this city. It was the occasion of the 47th anniversary of the founding of the order, and arrangements had been making for some time past by the members of the lodge to celebrate it in an appropriate manner.

At an early hour in the evening the members of the lodge and their families and friends began gathering at the hall, which in a short time was filled to its utmost capacity.

An exceedingly interesting program for the occasion had been prepared by the committee having the matter in charge, and at 8 o'clock the evening number by the orchestra announced that the program had commenced.

After the invocation had been pronounced by the Rev. Mr. Thomas, Chancellor Commander H. S. Kirpatrick, on behalf of the lodge, delivered the address of welcome.

A beautiful number was then rendered by the male quartette, consisting of Messrs. Root, Varner, Myers and Marshall, which was much appreciated by all of those present. The members of this quartette are all singers of well known ability, and never fail to please.

Mr. Carl Ankele was next on the program with a violin solo. Mr. Ankele demonstrated the fact that he is a very fine artist and his effort elicited well deserved applause. Miss Graef was accompanist.

At this point the orchestra rendered another of its beautiful numbers, and was followed with a violin solo by Miss Martha Flurschütz, who proved herself a capable handler of the bow. She was accompanied by Miss Reichert.

The next number on the program was a beautiful piano duet by Misses Irene and Mary Simpson, which gave evidence of careful training on the part of their instructors and aptness on their part.

"Bros. Bones' Sermon," by Mr. C. L. H. Long, was one of the best on the program and brought down the house. Charles certainly imitated Bro. Bones to perfection.

One of the most appreciative numbers on the program was the vocal solo by Miss Esther Graef, with Mrs. S. C. Alsdorf as accompanist. Miss Graef has a clear, beautifully toned voice and will no doubt be heard with pleasure at future entertainments in our city.

After another number by the orchestra and the made quartette, refreshments were served, which were greatly enjoyed by those present.

Following this, some time was spent in social conversation, when all adjourned to their homes, feeling that they had spent a most enjoyable evening.

The Library Loan Exhibit needs a great many show cases for the week of March 6, and if merchants will take the trouble to lend these the committees will be most thankful.

VALUED EMPLOYEE OF HOLOPHANE CO. RESIGNS POSITION

Miss Clara Zillesen of the Holophane Company, has resigned her position with that company and leaves March 14 for her home in New York city.

Miss Zillesen is one of the most valued employees of the Holophane Company and was among the first of the office force to arrive from New York city when the general offices were established in this city. She has charge of the mail and publicity department of the concern, a most responsible position, requiring much capability and she has filled it most satisfactorily. Her work included the supervision of all the advertising done by the company.

Miss Zillesen will not take up her work on her return to New York. She will be succeeded here by Mr. E. E. Serbiner, who formerly was in charge of the metal reflector department.

CLY RECITES TALE TO JURY

Memory Blank as to the Killing of His Wife, a Former Newark Girl.

Columbus, March 1. — The white-robed form of his wife, as she staggered to the door of their home on the North Side from the group of merry-makers, fresh from a night's joy ride in a big tonneau, as with a vision of her dishevelled hair, as with sullied cheeks she bent over him as he lay dazed on his bed, and after that a blank.

This was Carl J. Cly's portrayal yesterday in court of that night last summer, when he killed his wife and sent a bullet crashing into his own breast.

In cold, calm fashion, he wove the threads of a dramatic tale to a jury that listened intently and took in every word.

He told of the discovery of the

perfidy of his wife and the boarder, Eye, whom he had befriended when he was penniless, and as, with nervously twitching muscles, he recounted the anguished moments that marked the vigil of watching for the return of the woman, his lip quivered and his mother and relatives in the court room wept.

Two weeks later, on his bed in the hospital, reason came back, but never till the witnesses on the stand pictured the sordid tale of murder, he swears, did he know that he was an uxoriicide.

Following his testimony, Drs. W. D. Deuschle, H. W. Whitaker, Geo. Stockton and E. E. Gaver, alienist, examined him in open court and will be called to the stand later to testify as to his sanity.

Judge Kinkead took no action in regard to the placing of Cly on exhibition in the case, against which the prosecution had protested Monday, holding that the defendant could take the stand if he so chose.

Lots of people who are convinced we shall know one another in heaven succeed admirably in forgetting us here.

It is when they take sides that some men are taken aback, and others take affront.

In these days many a woman has to practice strict economy to get along with her alimony.

No matter how bad general business conditions are the moving picture industry is never at a standstill.
